AUDITOR'S REPORT

To the Management Committee of
Communist Party of Canada

I have audited the balance sheet of the **Communist Party of Canada** as at December 31, 2000 and the statements of operations for the period November 9, 2000 to December 31, 2000, and cash flows for the period then ended. These financial statements are the responsibility of the association's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurances whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and various estimates made by management, as well as evaluating the overall financial statements presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the political association as at December 31, 2000 and the results of its cash flows for the period from November 9, 2000 to December 31, 2000 then ended in accordance with generally accepted accounting principles.

AUDITOR'S REPORT
ON
POLITICAL PARTY TRUST FUND RETURN

To John Anderson, Chief Agent for The Green Party of Canada

As the Green Party of Canada did not maintain a trust fund for the fiscal year 2001, to be used for an election, its requirement to file the Political Party Trust Fund Return, under section 428 of the Canada Elections Act, was restricted to filing a nil return.

As such my audit was restricted to obtaining a letter of representation, signed by the Chief Agent, that the Party did not maintain a trust fund.

In my opinion, subject to the accuracy of the representation mentioned above, the nil return of the Political Party Trust Fund Return, for the fiscal year 2001, is in accordance with the Canada Elections Act.

AUDITOR'S REPORT

To the Chief Agent of the Green Party of Canada

I have audited the balance sheet of Green Party Of Canada (the Party) as at December 31, 2001 and the statement of revenue and expenses and changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. My responsibility is to express an opinion on these financial statements based on my audit.

Except as explained in the following paragraph I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, my verification of revenue from this source was limited to accounting for the amounts recorded in the books of the head office of the Party and from receipts provided by individual riding associations. Furthermore as the Party has minimum control over the expenses of the individual riding associations, only the expenses of the head office have been reflected in the financial statements. As such I was not able to determine whether any adjustment might be necessary to revenue, expenses, excess of revenue over expenses, assets and net assets (liabilities).

In my opinion, except for the effect of adjustment, if any, which I might have determined to be necessary had I been able to satisfy myself concerning the completeness of the contributions and expenses referred to in the preceding paragraph, these financial statements present fairly, in all material respect, the financial position of the Party as at December 31, 2001 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

**AUDITORS' REPORT
ON FINANCIAL TRANSACTIONS RETURN**

To the Chief Electoral Officer, Elections Canada

At the request of the Federal Liberal Agency of Canada, we have audited its Financial Transactions Return prepared in accordance with Section 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) and (ii), (h), (i), (j) and (k) of the Canada Elections Act (the "Act") for the year ended December 31, 2001. This financial information is the responsibility of the management of the Federal Liberal Agency of Canada. Our responsibility, in accordance with Section 426(1) of the Act, is to express an opinion on this financial information based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In common with many not-for-profit organizations, the Liberal Party of Canada, through the Federal Liberal Agency of Canada, derives contributions the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts received by the Agency and we were not able to determine whether any adjustments might be required to the amount of contributions reported.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, this financial information presents fairly, in all material respects, the contributions received and financial information required to be reported under the Act for the year ended December 31, 2001 in accordance with the provisions of Sections 424(2)(a), (b), (c), (c.1), (d), (e), (f)(i) and (ii), (h), (i), (j) and (k) of the Act.

Auditors' Report

To the Board of Directors of The Federal Liberal Agency of Canada, Chief Agent for the Liberal Party of Canada

We have audited the statement of financial position of **The Federal Liberal Agency of Canada** as at December 31, 2001 and the statements of operations, changes in net assets (liabilities) and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In common with many not-for-profit organizations, the Agency derives revenue from contributions and other sources, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Agency and we were not able to determine whether any adjustments might be necessary to revenue, constituency and other party organizations' share of contributions, excess of revenue (expense) for the year, assets and net assets (liabilities).

In our opinion, except for the effects of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of contributions and other revenue referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Agency as at December 31, 2001 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

1 Significant accounting policies

Basis of presentation

The Liberal Party of Canada is a federation composed of the following provincial and territorial associations:

- Liberal Party of Newfoundland and Labrador;
- Liberal Party of Prince Edward Island;
- Nova Scotia Liberal Party;
- New Brunswick Liberal Association;
- Liberal Party of Canada (Quebec);
- Liberal Party of Canada (Ontario);
- Liberal Party in Manitoba;
- Saskatchewan Liberal Association;
- Liberal Party of Canada in Alberta;
- Liberal Party of Canada in British Columbia;
- Yukon Liberal Association;
- Northwest Territories Liberal Association; and
- Nunavut Liberal Association

The provincial and territorial associations and their constituency associations (the "Associations") operate independently of the Agency although all contributions received by them are remitted to the Agency who issues receipts for donations. In accordance with agreements with each Association, a portion of the contributions are returned to them. Consequently, the financial statements disclose the gross amount of contributions received nationally with the amounts returned to the Associations shown as a deduction from gross revenue. The Agency also makes operating support payments, as required, to these Associations which are recorded as an expense of the Agency.

The Agency also receives donations for the Judy LaMarsh Fund (the "Fund"), a separate corporation, and the Aboriginal Electoral Endowment Trust (the "Trust"), a legal trust. The financial statements include these donations as contributions and the amounts returned to the Fund and the Trust are included in constituency, provincial and territorial Associations' share of contributions.

These financial statements reflect the activities of the Federal Liberal Agency of Canada (the "Agency"), a company incorporated under the Laws of Canada. The Agency is the Chief Agent for the Liberal Party of Canada (the "Party") and as such is responsible for issuing receipts for donations received at all levels of the Party and for fulfilling the legal responsibilities of the Party as required by the Canada Elections Act.

The Agency accounts for only those expenditures incurred by the National Office of the Party, including transfers to the associations of the Party.

Revenue recognition

Contributions and participant fees for the biennial convention are generally recognized as revenue when received by the Agency or Associations.

Contributed materials and services, except volunteer labour, are recorded at fair value. Except where required by the Canada Elections Act, the value of volunteer labour is not recorded in the financial statements.

Cash equivalents

Cash equivalents are defined as highly liquid investments with maturities at acquisition of three months or less.

Capital assets

Capital assets are recorded at cost and are depreciated, over their estimated service lives, on a straight-line basis as follows:

Print shop equipment	5 years
Furniture and fixtures	5 years
Computer equipment	3 years
Leasehold improvements	5 years

Deferred lease inducement

The inducement is amortized over the term of the lease.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

5 Lease commitments

The future minimum lease payments under operating leases for premises are as follows:

2004	87,100
2005	86,100

6 Financial instruments

Financial instruments recognized in the balance sheet consist of cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities and demand bank loans. It is management's opinion that the Agency is not exposed to significant credit risks arising from these financial instruments. Management also believes the carrying value of these instruments approximates their fair values due to their short term to majority and the prime interest rate on the demand loans.

Rapport des vérificateurs

Au conseil d'administration de l'Agence libérale fédérale du Canada, agent principal du Parti libéral du Canada

Nous avons vérifié le bilan de l'Agence libérale fédérale du Canada au 31 décembre 2001 ainsi que les états des résultats, de l'évolution de l'actif (du passif) net et des flux de trésorerie pour l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction de l'Agence. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe suivant, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, l'Agence tire des revenus de dons et d'autres sources dont il n'est pas possible de vérifier l'intégralité de façon satisfaisante. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les comptes de l'Agence et nous n'avons pu déterminer si des redressements auraient dû être apportés au montant des revenus, de la part des dons des circonscriptions et des autres associations du Parti, de l'excédent des revenus pour l'exercice, de l'actif et des surplus.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les dons et les autres revenus mentionnés dans le paragraphe précédent ont tous été comptabilisés, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière de l'Agence au 31 décembre 2001 ainsi que des résultats de son exploitation, de l'évolution de son actif (passif) net et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

Mode de présentation

Le Parti libéral du Canada est une fédération constituée des associations provinciales et territoriales suivantes :

- Le Parti libéral de Terre-Neuve et du Labrador
- Le Parti libéral de l'Île-du-Prince-Édouard
- Le Parti libéral de la Nouvelle-Écosse
- L'Association libérale du Nouveau-Brunswick
- Le Parti libéral du Canada (Québec)
- Le Parti libéral du Canada (Ontario)
- Le Parti libéral au Manitoba
- L'Association libérale de la Saskatchewan
- Le Parti libéral du Canada en Alberta
- Le Parti libéral du Canada en Colombie-Britannique
- L'Association libérale du Yukon
- L'Association libérale des Territoires du Nord-Ouest
- L'Association libérale du Nunavut

Les associations provinciales et territoriales et leurs associations de circonscription respectives (les « associations ») fonctionnent indépendamment de l'Agence, bien qu'elles remettent tous les dons qu'elles reçoivent à l'Agence, qui délivre les reçus de dons. Aux termes des ententes conclues avec chaque association, une partie des dons leur est remise. Par conséquent, le montant brut des dons reçus à l'échelle nationale est présenté dans les états financiers, et les montants remis aux associations sont déduits du produit brut. De plus, l'Agence verse aux associations, au besoin, des paiements de soutien de fonctionnement, qu'elle comptabilise à titre de charge.

L'Agence reçoit également des dons destinés au Fonds Judy LaMarsh (le « Fonds »), société distincte, ainsi qu'à la Fondation électorale autochtone (la « Fondation »), fiducie dûment constituée. Les états financiers comprennent les dons reçus par le Fonds et la Fondation; les sommes remises au Fonds et à la Fondation sont incluses dans le poste « Part des dons des associations de circonscription et des associations provinciales et territoriales ».

Ces états financiers comprennent les activités de l'Agence libérale fédérale du Canada (l'« Agence »), société constituée en vertu des lois du Canada. L'Agence est l'agent principal du Parti libéral du Canada (le « Parti ») et, à ce titre, il lui incombe de délivrer les reçus pour tous les dons reçus par le Parti et de satisfaire aux obligations juridiques du Parti, qui sont prescrites aux termes de la *Loi électorale du Canada*.

L'Agence ne comptabilise que les dépenses engagées par le bureau national du Parti, y compris les transferts aux associations du Parti.

Constatation des produits

Les dons et les frais de participation au congrès biennal sont habituellement comptabilisés à titre de produits au moment où ils sont reçus par l'Agence ou ses associations.

Les dons reçus sous forme de fournitures et de services, à l'exception du travail bénévole, sont constatés à la juste valeur. Sauf lorsqu'il est requis aux termes de la *Loi électorale du Canada*, la valeur du travail bénévole n'est pas constatée dans les états financiers.

Quasi-espèces

Les quasi-espèces sont définies comme étant des placements très liquides dont l'échéance au moment de l'acquisition est d'au plus trois mois.

Immobilisations

Les immobilisations sont inscrites au coût et amorties selon la méthode linéaire comme suit :

Matériel d'imprimerie	5 ans
Mobilier et agencements	5 ans
Matériel informatique	3 ans
Améliorations locatives	5 ans

Avantage incitatif reporté relatif à un bail

L'avantage incitatif est amorti sur la durée du bail.

Utilisation d'estimations

La préparation des états financiers conformément aux principes comptables généralement reconnus exige que la direction procède à des estimations et formule des hypothèses qui influent sur les montants constatés du passif et de l'actif ainsi que sur la présentation des éléments d'actif et de passif éventuels aux dates des états financiers et sur les produits et les charges constatés pour les exercices visés. Les résultats réels pourraient différer de ces estimations.

6 Instruments financiers

Les instruments financiers présentés dans l'état de la situation financière comprennent les espèces et les quasi-espèces, les comptes débiteurs, les comptes créditeurs et les charges à payer et les emprunts bancaires à vue. La direction est d'avis que l'Agence n'est pas exposée à des risques de crédit importants découlant de ces instruments financiers. La direction croit aussi que la valeur comptable de ces instruments se rapproche de la juste valeur étant donné la courte durée à l'échéance et le taux préférentiel sur les emprunts bancaires à vue.
